Dear Mr. Silver:

I understand that Mr. Grote Reber has been in contact with you regarding the shipment of electronic instruments and records from his home in Bothwell, Tas. to the United States.

Would you please provide us with a written quotation of costs and estimated time for delivery to Green Bank, West Virginia. If the port of entry will be at Baltimore, Maryland or Norfolk, Virginia, then we would also consider accepting delivery at the port if that will result in a saving of time or money.

It will be easiest for us to provide payment in US dollars, but if necessary we can probably arrange for payment in Australian dollars.

We look forward to your early reply.

Sincerely,

A handwritten signature in cursive script, appearing to read 'K. I. Kellermann'.

K. I. Kellermann
