Subject: Haleakala Satellite Tracking
Site and Easements designated
as A, B and C, Waialeale,
Papahāna, Makawao (Honouliuli),
Maui

Hawaiian Telephone Company
P. O. Box 2200
Honolulu, Hawaii

Attention: Mr. Charles F. Penhallow

Gentlemen:

Enclosed find CSF No. 12683 detailing the proposed University of Hawaii Haleakala Satellite Tracking Site with easements designated as A, B and C, situate at Papahāna, Makawao, (Honouliuli), Maui.

Please note that Easement B, covering an area of 0.002 acre, is the southern corner of the property held by the Hawaiian Telephone Company under General Lease 3342. We understand that this small portion of land is not used by your company and that its use by the University of Hawaii as part of their access road would greatly facilitate construction of said road.

If you have no objection to the granting of this nonexclusive easement, and making General Lease 3342 subject to said easement, please so indicate by signature in the space provided below and return to this office.

Very truly yours,

JJD:hlb
encl.

APPROVED: AUG 28 1957 1957

FRANK W. HUSTACE, JR.
Commissioner of Public Lands
