Dear OM:

Can you find me Radio News for August 1923? If so please send it up here & I'll remit by check. What copies of Radio or Radio News do you have for the years 1921, 1922, 1923, 1924? I want to try to identify some of my old radios by using the ads in these magazines. Make me a good quantity price & maybe we can do business again.
