Mr. Grote Reber
c/o National Radio Astronomy Observatory
Green Bank, West Virginia

Dear Mr. Reber:

Mr. Campbell at Bound Brook says that your 30 cases were received there June 14 and are in storage at the Finderne Plant.

In accordance with your instructions, we will continue to forward first class mail to you until further notice and will hold the rest here. In this connection, something in a large manila envelope is being forwarded to you. It is from the National Research Council in Ottawa and is marked "first class," so perhaps it is. A couple of other things are enclosed.

Sincerely yours,

Jennie Ewanoski
