Dear Sir,

Please publish the following one half page advertisement in the next four issues of your magazine -

W A N T E D

Information, Bulbs, Seeds and Specimens

Plants with random spiral twist. That is, half the population turning one way and half the population turning the other way.

Annual vine producing large seed pods and having spiral like left hand screw thread. Vine crosses in front of support from lower right to upper left.

Give details, quantity and cost in first letter.
