Gentlemen:

This letter follows mine of 19th of July. My observations here have been completed and I am packing up my apparatus preparatory to return to U. S. A. I leave here on 14th September and Sydney on 8th October via RMS Orsova.

After about 1st of November my address will be

Grote Reber  
General Delivery  
Wailuku, Maui  
Territory of Hawaii  
U. S. A.

If the microfilm giving hourly values of  $f_oF_2$  at Dakar has not yet gone off; please send it to me at my new address. If it is already on its way, I will make arrangements to have it forwarded to me.

From 14th September to 8th October my address will be

Grote Reber  
Ionosphere Prediction Service  
5 Hickson Road  
Millers Point, New South Wales  
Australia

Very truly yours, *K. Reber*
