Mr. Grote Reber  
General Delivery  
Wailuku  
Maui, T. H.

Dear Mr. Reber:

Dr. Griffin and I have discussed the matter of running a  $C^{14}$  analysis of your sample from Kamahina lava flow. Because of the fact that we have so many samples on hand for dating (about 2 years into the future) we are forced to say that we cannot accept yours at the present time.

Sincerely,

*H. R. Crane*
