

This is for back of tractor. The one  
I was pitched off on 15/10/65.

Beres Engineering Co.  
104 Gormanston Road,  
MOONAH, Tas.

1st May, 1963.

Dear Sirs,

Your verbal quotation of fifty pounds to construct one portable steel and wood platform is hereby accepted. The work is to be carried out in accordance with drawings and instructions by Dr. Reber. The invoice is to be directed to this office.

Yours faithfully,

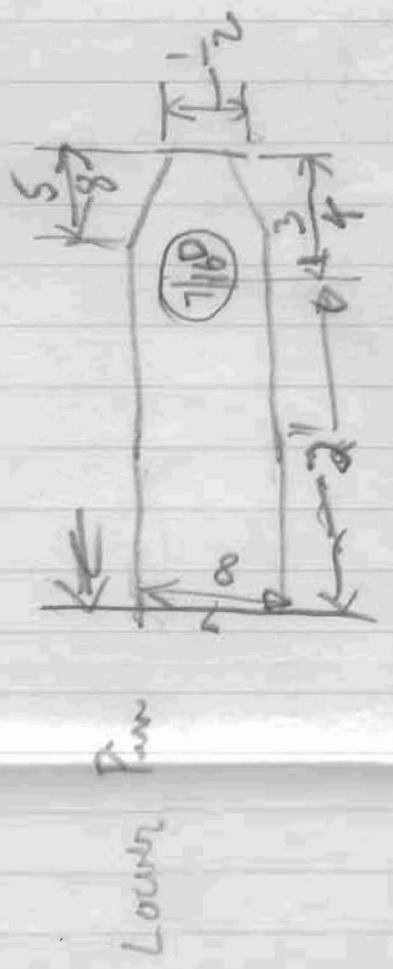

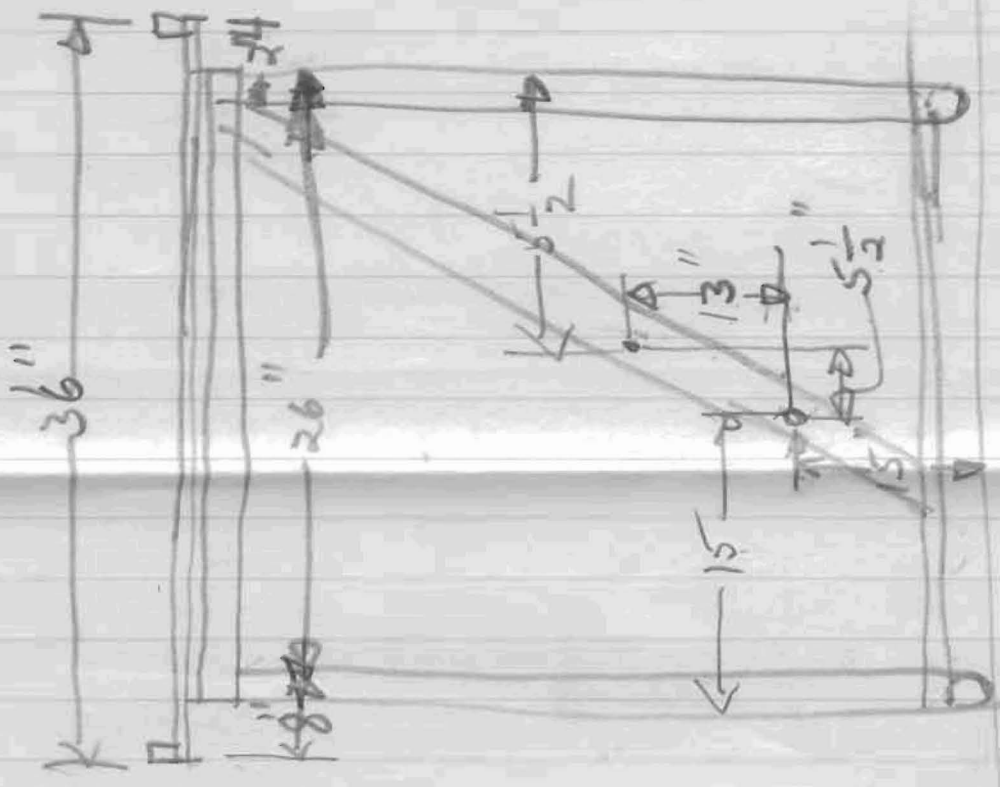

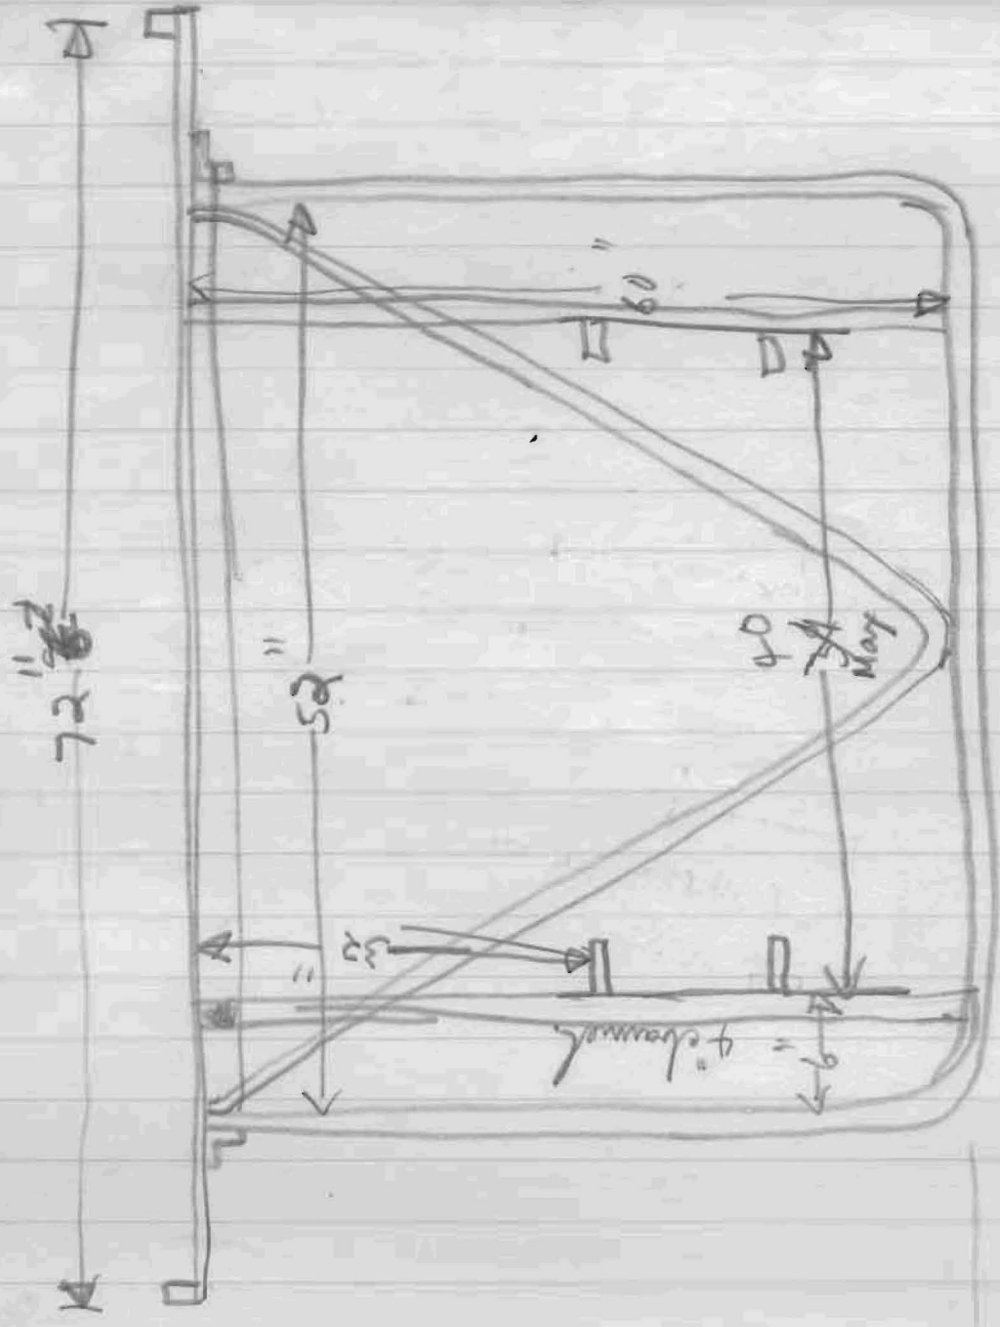

(M.H. Bennett)  
Clerical Officer.
