Mr. A. W. Zener, Secretary  
Gary Wheaton Bank  
P.O. Box 491  
Wheaton, Illinois

Dear Mr. Zener:

Enclosed is the proxy for this years meeting. I'm sorry that I cannot attend. Perhaps this will be possible another year after I finish up the experiment here.

As you probably know, Mr. Bertram Rathje has been of assistance in closing our affairs at 212 West Seminary Avenue. This has gone along fairly well with the exception of a couple of minor matters. I have written to Bert a couple of times in the past six months, the most recent on 21st of November 1957 but received no reply. I presume that he is rather snowed under by Courtwork or perhaps has been unfortunately ill for a protracted period or both.

I would like to have you go over to their office and have someone try to find one of the keys to my bank box which he is supposed to have in custody. Also, last August 21st, I sent to him for his information a rather peculiar letter received from my brother while I was still in Australia. Both of these things I would like to have returned to me at the earliest convenient time. The key particularly, by registered mail.

I'm sorry to bother you about these matters, but I still am rather far off to take care of them myself. Please remember me to Mr. Herman Fischer and Mr. Engstrom when you see them.

Very truly yours,
