Dear Hap:

The truck load of boxes went this afternoon. All I have is two bags which I will take with me when I leave for Wheaton, Illinois tonight.

The work here had been completed. My dish is finished in good shape except for a final coat of paint. We even put some shrubs around the base. The job is well done and should last indefinitely. I'm rather proud of it. Several pictures should be waiting for me by time I arrive in N.Y.C.

If I'm lucky my affairs in Wheaton should be folded up by 29th and I expect to arrive in N.Y.C. on 30th. Please have a reservation made for me at Hotel Latham, 28th & Fifth Avenue during the period 30th November thru 6th December. I'll call at your office first thing on the 1st.

My last accounting to you was on 7th March 1959. This seems to be a good time to make another which I enclose herewith. About two thirds of the outlay is for travel as I've been over a lot of ground and water in the past 18 months. This should cease for a while when I get back to Australia and something more concrete should appear in the record. I appreciate your support in the past and hope to merit it in the future also. Please pass this accounting on to the proper parties for payment as they see fit.

There is not much to say about Green Bank. The quiet country environment has been pleasant and I've enjoyed it a lot. Perhaps in a couple of years NRAO will have gained some stability of organisation. I'll come back again and see how things are going.

Looking forward to seeing you in a week, I am

Sincerely yours,

Grote Reber
