Dear Mr. Reber:

We have your letter of January 16, and are glad to tell you that if the corners of the fins are not welded, the price of the cone will remain \$70.63 each, in lots of one, as mentioned in our letter of January 3.

As usual, this price is f.o.b. shipping point and subject to change without notice.

We hope that we may be favored with your order.

Very truly yours,
