

12/12/89

Dear Jack:

Your good note of 27/11/89 plus enclosures arrived on 7/12/89. Thanks. The StJoha's hourly data is exactly what I'm looking for. I'll get onto analysing it soon. You will receive a copy of my results in a couple of months.

Unfortunately, the Ottawa data you sent is monthly median values. I need monthly sheets giving hourly values of f_oF_2 day by day Nov 50 thru Oct 51. I don't need the numerous graphs or explanatory sheets on symbols. Apparently this is a clerical misunderstanding. Please look into the matter.

Best wishes,
