

GR:NER

1st November, 1962.

Mr. J. P. A. Bidout,
Secretary,
Gamma Radiation Laboratory,
P.O. Box 1901,
DANDENONG, VIC.

Dear Sir,

Re: Your letter of 25/10/62.

By parcel post we are sending a carton containing eleven small paper sacks. Within the sacks are respectively an ounce or two of bean seeds marked as follows :-

- 3 sacks, Black and Tan, 2500R, 5000R, 10000R.
- 3 sacks, Tan and Black, 2500R, 5000R, 10000R.
- 3 sacks, Hawaiian, 2500R, 5000R, 10000R.
- 2 sacks, Dwarf Kentucky, 5000R, 10000R.

Please X-ray these beans as indicated and return. I will advise you of the outcome next autumn.

Thank you,

Yours faithfully,

Greta Baber.

Seed arrived on 19/11/62
