

2nd January 1963

Mr. S. Anthony, Publisher
The Naturalists Directory
P.O. Box 282
Phillipsburg, New Jersey, U.S.A.

Dear Sir:

Presently I have the 39th edition of the Directory. I wish to purchase copies of the Supplement thereto and the 40th edition. Also I wish to place a one third page ad in the back of the 40th Edition as follows.

W A N T E D

Information, Bulbs, Seeds and Specimens

Plants with random spiral twist. That is, half the population turning one way and half the population turning the other way.

Annual vine producing large seed pods and having spiral like left hand screw thread. Vine crosses in front of support from lower right to upper left.

Give details, quantity and cost in first letter.

GROTE REBER

Research Corporation, 405 Lexington Ave., New York 17, New York.

Please address your reply to me at top of this letter. The Supplement, Directory plus bill for these and the ad are to be directed to New York.

I note that my name on page 65 of the 39th Edition is reversed. Please correct it in the 40th Edition. It should have appeared on page 68.

Very truly yours,

Grote Reber
