17th February, 1966.

Mr. Grote Reber,
C.S.I.R.O. Tasmanian Regional Laboratory,
"Stowell",
Stowell Avenue,
HOBART. TASMANIA.

Dear Mr. Reber,

Following your request for seed of Vigna sinensis and Vigna sesquipedalis, I have just forwarded you the seed samples which I hope will be useful in your work. We are not growing varieties of this group this season.

Yours sincerely,

R. J. Williams.
PLANT INTRODUCTION OFFICER.
