Mr. Reber:

I guess there is something you should do about the enclosed. An additional enclosure noted that "If you wish the enclosed exemption certificate to apply to the January distribution, it should be completed and returned immediately." A return envelope was provided but you will probably have one around. It should be addressed to: *

Post Office Box 1926
Old Colony Trust Company, Transfer Agent
Boston, Massachusetts 02105
Central Aguirre Sugar Company

* Or, return to me and I'll forward it
in their green envelope.

Returned to Service ^{J.E.} on
