

16TH SEPTEMBER 1959  
P.O. BOX 2  
GREEN BANK, WEST VIRGINIA

MR. CHARLES H. SCHAUER  
RESEARCH CORPORATION  
405 LEXINGTON AVENUE  
NEW YORK 17, NEW YORK

DEAR HAP:

THANKS FOR YOUR LETTER OF THE 14TH.  
THE 22ND SOUNDS GOOD TO ME AND I WILL FIND MY  
WAY UP TO YOUR OFFICE AS SOON AS I GET INTO TOWN.

DONALD MENZEL HAS BEEN HERE AND I HAVE  
EXPLAINED TO HIM MY BEAN VINES. HE SUGGESTED  
THAT I GET IN TOUCH WITH DR. KENNETH THIEMANN  
OF THE BIOLOGY SCHOOL AT HARVARD WHO HAS BEEN  
DOING SOME EXPERIMENTS WITH BEANS. HE COULDN'T  
TELL ME ANY OF THE DETAILS BUT IT SEEMS THAT  
PERHAPS I MIGHT LEARN SOMETHING FROM THIEMANN.  
I NOTE THAT YOU WILL BE TIED UP ON THE 24TH.  
PERHAPS THIS WOULD BE A GOOD DAY TO SEE THIEMANN.  
I AM WONDERING IF YOUR OFFICE COULD MAKE A PHONE  
CALL TO THIEMANN AND SEE IF HE WILL BE AVAILABLE  
ON THE 24TH. IF NOT, PLEASE HAVE HIM SUGGEST  
ANOTHER DATE. I'LL GET THE DETAILS ON THIS  
MATTER WHEN I SEE YOU NEXT WEEK.

PRESENTLY, I HAVE A RESERVATION ON THE  
ORSOVA WHICH LEAVES SAN FRANCISCO ON THE 24TH  
OCTOBER FOR SYDNEY. HOWEVER, I AM DICKERING  
WITH SOME OTHER LINES TO TRY TO SECURE ACCOMMODATIONS  
ON A FREIGHTER LEAVING NEW YORK DIRECT FOR SYDNEY.  
IF I CAN, THIS WILL BE PIMPLER THAN TREKING ACROSS  
THE CONTINENT TO SAN FRANCISCO.

BEST REGARDS,

*Grote Reber*
