CHARLES H. SCHAUER
VICE PRESIDENT and SECRETARY

May 19, 1959

Mr. Grote Reber
National Radio Astronomy Observatory
Post Office Box 2
Green Bank, West Virginia

Dear Grote:

Thanks for your letter of May fifth and its enclosures. A visit sometime later to Green Bank becomes even more attractive with the prospects of seeing your original equipment in operative condition.

We have just reimbursed AUI for some 680-odd dollars in billings attributed to you, which seemed to be mostly railway express and freight charges. Possibly I should have checked the items with you first but there seemed to be no particular reason to question any of them on the basis of a quick run-through.

As to your prospects for a June visit to these parts, I'll be missing from here from the 11th to the 18th, and in all likelihood will be on my way again the 27th. The other days are somewhat littered up with a variety of meetings, which include a June 10th meeting of our Grants Committee. While that day would not provide a particularly likely time for our chewing the fat, I am sure the Committee would be delighted to have you join us for lunch and possibly sit in on some of our deliberations if the idea would appeal to you. The 19th brings with it a meeting of the Williams-Waterman Committee, but the afternoon would be free. The 23rd is pretty well shot, with a meeting of the Board of Directors. You'd be entirely welcome if you'd like to join the latter group again for

Mr. Grote Reber

the luncheon hour. Having been exposed to them last fall, however, you may have enough of that.

I'll look forward to hearing your plans.

Best wishes,

Chap

Charles H. Schauer
