Mr. Grote Robber UNIVERSITY OF CALIFORNIA

BERKELEY ASTRONOMICAL DEPARTMENT  
(LEUSCHNER OBSERVATORY)  
BERKELEY 4, CALIFORNIA

Dear Mr. Robber:

Thank you for your letter of 8 August 1962.

The President - R. M. Petrie - is in Europe; so the Vice-President, L. B. Henry, will preside at the Dinner on Friday evening (6:00 p.m.) on 28 September 1962. Seth B. Nicholson will present the medal.

Limiting your remarks to fifteen minutes - is 'O.K.' However, Seth B. Nicholson and I and the audience, would, I am sure, prefer that you extend it to, say, thirty minutes or a little more. A lantern will be at hand.

I have seen Weaver (U.C.) and written to Bracewell (Stanford) concerning possible visits to the radio astronomy observatories.

We'll be looking for you at the Faculty on September 25th, and before that date. I am there at noon every day, except Sunday. Regret that I do not drive a car.

Kind regards, and  
Very sincerely yours,

Stevla Einarsen  
Secretary, ASP
