Dear Sir:

The November 1926 issue of Radio arrived some time ago. I found it interesting. According to the index therein another article about the Infradyne receiver appeared in the December 1926 issue of Radio. Enclosed is my check for sum of \$2.50 in payment. Please send on the December 1926 issue at your earliest convenience. If you don't have it, please substitute some other issue which has an article about the Infradyne receiver; or else return my check. I have the August + November 1926 issues now.

Very truly yours,

Grote Reber
