Dear John:

Some more money has come to hand. Toward end of month you will receive a check for \$30,000 made out to DRO from Midland Doherty. It is to be used for benefit of DRO as you and your associates see fit. All I ask is a short run down on how it was expended. Keep my name anonymous on financial matters.

I'll probably be in north america during April or May. Will stop by for a day or two.

Sincerely yours,
