Dear Miss Ewanoski:

Thank you for your letter of the 15th and enclosures. Getting my affairs in order here will be a longer job than I anticipated. Since I will probably be here another month, I suggest that you continue to forward any first class mail to me. Keep the rest up there.

The people at Finderne have been alerted to receive the 30 cases of equipment I shipped from Hawaii. They should be arriving soon. Please inform me when they are safely stored at Finderne.

Sincerely yours,

Grote Reber
