

Ai Gote,

Opposite find a poor copy of the letter  
I sent Mrs. Kunz.

→ I gave her several choices - could  
insert an ad in the "Bulletin"

→ Refer her to some local collectors

→ On loan same to the club's museum.

We'll see what happens.

Regarding the items you wanted - we  
could hold them here - or possibly you've  
already made other arrangements.

Enclose find the latest "Bulletin" - note  
that it is now part of the AWA - will give us  
a better paper with some backing.

Will keep you posted.
