Dear Sir,

Further to discussions with your Mr. Raber, we have pleasure in quoting for the supply of Anhydrous Borax, 69% B_2O_3 , at a price of £89. 10. 0. per long ton delivered Hobart in $\frac{1}{2}$ ton lots. This is the most economic means of purchasing on the basis of the B_2O_3 content.

We trust that this quotation is satisfactory and we look forward to your future order.

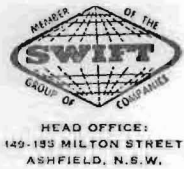

Yours faithfully,
for SWIFT & COMPANY (TRADING) PTY. LTD.

Attn: Mr. M. H. Bennett
Administrative Officer

Dear Sir,

Thank you for your enquiry for the supply of one (1) ton of our cheapest grade Crude Borax.

To enable you to properly evaluate the various Boron products available we list below not only the grades and prices of products on offer but also their B₂O₃ content for evaluation. Since we do not know exactly what you have in mind with regard to the use of the product, we leave it to your discretion to nominate your specific requirement.

B₂O₃

<i>ton</i>	<i>cont</i>
986	1.625
1545	1.135
1075	1.325

Crude Borate Rock (Borascu), 44% B₂O₃
Price: £80. 0. 0. per Long Ton.

£80

Anhydrous Borax, 69% B₂O₃
Price: £87. 0. 0. per Long Ton.

£55/9/0

Pentahydrate Borax, 48% B₂O₃
Price: £71. 0. 0. per Long Ton.

*44 x 87 = 3828
48 x 71 = 3408*

£65-

All the above prices are delivered Hobart.

We thank you for your enquiry and further advise that we have an office at 244 Elizabeth Street, Hobart, where you may contact Mr. D. Hyland on any further queries.

Yours faithfully,
for SWIFT & CO. (TRADING) PTY. LTD.
