Mr. Grote Reber  
In care of National Radio Astronomy  
Observatory  
P. O. Box 2  
Green Bank, West Virginia

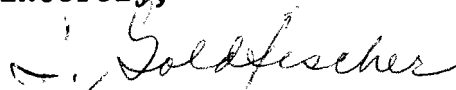

Dear Mr. Reber:

Everything is pretty well set for your trip up to this part of the world. However, your reservations to Gainesville are giving me a bit of trouble. Going by plane would involve going from Elkins to Washington, D. C., to Jacksonville to Gainesville. The train ride would involve fewer changes -- an overnight ride from White Sulphur Springs to Washington; getting off at Washington in the morning and going on a different train line to Gainesville. I thought the latter would be the better of the two and have gone ahead and made reservations.

However, I thought perhaps (if you enjoy driving) you might prefer to rent a car and drive down to Gainesville. If you do prefer this, I can make arrangements to rent it for you.

Please let me know as soon as possible which method of transportation you would like to take.

Sincerely,

(Mrs.) Isabelle Goldfischer
