Dear Gwte,

Arrived 11/6/65

Excuse the hurried pencilled reply -
we're in process of packing for vacation
and leaving shortly.

Very interesting your comments
on the 3 stage amplifier - will
forward your letter to Charles
Henry.

Will place your "ad" in

Bulletin - wish you luck. I
still plan to use your article from
IKE proceedings in the OTB -
excellent historical copy.

When you return to U.S.A. -
plan to spend night with us
as our guest.
