Mr. Mark Silver  
Allied Pickfords Pty. Ltd.  
PO Box 21 Glenorchy  
Tasmania, Australia 7010

Dr. Mr. Silver:

Thank you for your prompt quotation on the shipment of Mr. Grote Reber's possessions from Bothwell to Green Bank, West Virginia.

It is difficult for us to issue a check in Australian dollars. Therefore we are sending you a check for US\$3,360.23 to cover your quotation of A\$4427 plus A\$120 for insurance as requested by Mr. Reber. The conversion was made at today's exchange rate of A\$ 1 = US\$0.739. Should there be a loss at your end due to bank charges or commissions or a change in the exchange rate, you may bill us for the difference, or if more convenient Mr. Reber may pay you the difference. If there is a change in the exchange rate in favor of the \$US you may apply the difference to obtain additional insurance.

I am sending you the quotation acceptance form. You did not include the Transit Insurance Proposal Form in your FAX, and I suggest that Mr. Reber complete this himself.

Mr. Reber's possessions should be sent to:

National Radio Astronomy Observatory  
Green Bank, West Virginia 24944  
USA

Attn: Dr. J. Lockman  
Tel: 304 456 2301  
Fax: 304 456 2271

Would please inform us when a shipping date is established and the estimated date of arrival in New York.

Thank you for assisting us.

Sincerely,
