28th November, 1961.

Beres Engineering Ltd.,
104 Gormanston Road,
MOONAH.

Attention: Mr. M. Beres.

Dear Sirs,

Your quotation of the 24th is accepted as follows:-

420 discs approximately 3 $\frac{1}{2}$ " diameter by $\frac{1}{4}$ " thick
@ 1/1d. each £22:15: -

The material is to be Burnie Board or equal. The discs are to have a bore hole for sample self tapping screw and to be a press fit into sample bakelite tubing. Samples were delivered by Dr. Reber last week. The invoice is to be directed to this office for his account.

Yours faithfully,

M.H. Bennett
Clerical Officer.
