Dear Mr. Reber:

I thought you might be interested in the enclosed copy of a letter you received the other day - in case you will be in San Francisco and want to look him up.

We seem to have two reservations for you from Sydney to U.S. and would appreciate your setting us straight. Our travel agent tells us that word has come from Pan Am that you have made a reservation on their May 14th flight. Also, as noted in Mr. Schauer's recent letter to you, following your request we had Bristed-Manning make reservations for you on May 30, 31 and June 4 to Penticton via Vancouver and return as far as Vancouver.

It would be helpful if you could let us know by the first week in May what your plans are so that something can be done about the Penticton reservations.

Your cases are supposed to be arriving this week-end and Mr. Schauer asked the Bound Brook people to take care of picking them up.
