

## Maurawak Vine

- 19/9/66 Took three pots. Then cut off all vines to a foot above ground. Filled pots to near top with more soil.
- 21/10/66 Lot of new buds and few small shoots.
- 1/11/66 Some runners two feet long now.
- 21/11/66 Lot more shoots but only few long runners. Plants now trying to be bushy.
- 5/12/66 More shoots. Runners up to 4 feet.
- 27/12/66 Lot more shoots + runners. No flowers.
- 21/2/67 Some runners 10 ft high. No flowers.
- 14/3/67 Some only more + longer runners.
