Dear Dave:

I am very happy with your January 2nd reply. You will want to come to the New York office soon and it might as well be next Tuesday. Prof. Bok suggested this to me over the phone last week and we have already made a reservation for you to go to Washington Tuesday evening at the same time that I go down.

Our office is Room 6920, Empire State Building, telephone LONGacre 5-0460. If you fly down Tuesday morning, I suggest that you check any large luggage at LaGuardia as we will be departing from there that evening. If the weather should be very poor, I will expect you to come down on the train, arriving at the office in the afternoon rather than before noon.

Sincerely,

Richard M. Emberson
Assistant to the President
