Mrs. John Wyatt,
46 Wainua Avenue,
SANDY BAY TAS.

Dear Mrs. Wyatt,

I wish to extend my profuse thanks for your kind gesture as hostess to the biological club this week. The sumptuous refreshments provided a delicious end to a pleasant evening. I appreciate your good grace in allowing us to invade your kitchen for a demonstration of botanical explosives, namely corn popping.

One and all agreed it to be a very successful evening. Enclosed is a reprint for your husband.

Sincerely yours,

Greta Reber.

Dear Dan

Suggest you consider placing the actual scans in the white space of the photograph & thus complete the story.

THE BIOLOGICAL CLUB

The next meeting of The Biological Club will be held on Tuesday, 11th August, at 8 p.m. Dr. Grote Reber will talk on an attempt to induce psychotic disturbances in bean vines. The address will be that of the Honorary Secretary at 46 Waimea Avenue. (A steep driveway on the left going up Waimea Avenue at the end of the first row of poplars. Drive to the top (if you are early)).

Will you please ring 51687 if you can come.

J. W. C. Wyett,
Hon. Secretary.
