MEMORANDUM

To: GBT File

From: R. Fleming

RF

Subject: Subsurface Investigation of GBT Site

Triad Engineering Consultants, Inc.
Post Office Box 889
Morgantown, WV 26507
(304) 296-2562

I talked with Dennis Chambers today about their report and where they have stored the core drill samples.

The report for the subsurface investigation and geotechnical engineering evaluation of the GBT Site dated May 1990 is the final report. Everything was excluded in the report and there is no other data available.

The remaining six core samples (NRAO has #B-6 at Green Bank) are stored at Triad Engineering Consultants in Morgantown, WV.
