Dear Dr. Reber,

I wish to thank you for the two reprints of your papers "Solar Radiation at 480 Mc/s" and "Cosmic Static" which I have just received.

I am very interested indeed in your work. I anticipate I shall be visiting the U.S. towards the end of this year and I am hoping that it may be possible to visit Wheaton and discuss things with you at that time.

Yours sincerely,

J.L. Pawsey
