Mr. Grote Reber

Dear Grote:

This is just a note to wish you a Merry Christmas way down under. In all likelihood it's late in dispatch but the sentiment remains.

We have ordered the supplies you asked for and have been assured by General Radio Company that their end of it is due to be on the way soon. There is even a possibility that Santa Claus will deliver that on time. I am not sure yet about the Brush recording ink, but if something doesn't stir up on it soon will take more positive action.

Best wishes for the season and looking forward to seeing you in 1957 sometime.

Sincerely yours,

Charles H. Schauer
