Dear O.M.

Now that the holidays are over, let's see if we can get together. I notice your "Ad" in Ham Trader with mine F.B.

Did you get those 199's yet, if not I will try Cortland Street here in NYCity as soon as it warms up. Too cold to tramp around the waterfront area.

Have you got any leads on my "Want Ads".

As to old gear, I need

1. 600 DeForest Honeycomb Coil
2. $\frac{1}{8}$ " EI or Mesco Spark Coil
3. E I or Murdock Helix(Xmitting)
4. Crystal for Tuning Crystaloi Dectector
5. .01-5 Fixed EICo condensers By-Pass

Enclosed is some pictures taken in my Bedroom showing how I keep up my collection.

The Bookcase at the foot of the bed shows a autographed picture of Mr. Hugo Gernsback, a personal friend of me. Grand old man too.

Q.S.T's complete, Radio Craft complete with Radio News 2 missing as noted on back of picture.

Also need Vol 1 of Electrical Experimenter also complete Science & Invention and many odds and ends of Hugos Books, etc.

More later, would appreciate hearing from you
