Gentlemen:

Thank you for your letter of 8th July.

We will be pleased to receive microfilms of the monthly tables giving hourly values of $f F_2$ for Dakar. These should begin with January 1955 and continue to the most recent ones available, month by month.

If any charge is made, we will be pleased to remit the cost including air mail postage via an international money order.

Hoping to receive these microfilms at the earliest possible time, I am

Yours faithfully,

Grote Reber
