Dear Hap:

all my efforts here are in 28 cases, cartons and crates on their way according to the enclosed freight receipt. The charges we collect \$231.10. Please see that this is taken care of on arrival some day next week.

I have some things to do in Chicago tomorrow after which I'll get the night train to N.Y.C.

Sometime Friday morning I should appear at your office. Perhaps we can get together

over the weekend and discuss the future.

Just before leaving Green Bank I received a very nice letter from my farmer in Tasmania telling me that things are in good shape and wishing me an early arrival.

Best regards,

Grote
