export of tin, rubber, rice, and teak-wood except as authorized by the Washington control board.

3. Restoration by Siam of all British rights and payment of indemnities for all British war losses in that country.

4. Siam agreed to a program of military cooperation which military experts agree places Siam under British military control.

**Secret of 'Solar Noise'
to Be Sought in Eclipse**

MELBOURNE, Australia, Dec. 17 [Reuters]—Three scientists appointed by the Australian council for industrial research will go to Brazil next year to observe "solar noise" during an eclipse of the sun in May.
