CHARLES H. SCHAUER
VICE PRESIDENT and SECRETARY

January 7, 1966

Recd 17/1/66

Dear Mr. Reber:

Your letter dated January 3 arrived this morning. Yesterday I sent you the forms and list of dividends. Called Chase Manhattan this morning and was given the figure of \$4,274.40 as your interest for 1965.

If you're still down under at this time next year it would probably make Chase Manhattan happier to have a note from you requesting them to give the figure to us. Which was what Miss Cappitella tried to persuade me to get from you this time. She broke down and gave me the information when I mentioned that R.C. had an account at Chase and that one of Chase's Senior Vice Presidents was on our Board. They will be sending the information to you, as they must do by law, but probably not until later in the month.

I am glad to hear of the continuing improvement of your hand. As Mr. Schauer will be when he returns to the office. He is out with a very bad cold but hopes to return on Monday. He, by the way, thought the enclosed might be of some interest to you. We'll look for your article in the Franklin Institute Jr.

Best wishes for the New Year and for continuing^u mending of the hand.

Sincerely,

Jennie
