Secretary,
H.E.C.,
Elizabeth Street,
HOBART.

Dear Sir,

We have associated with us Dr. Grote Reber who is undertaking radio astronomy experiments near Bothwell. These will require a small amount of specialised pole line hardware. Dr. Reber has discussed these matters with your Mr. Dunbar. Accordingly, we request permission to have these items fabricated at your Moonah plant. All costs are to be debited to Dr. G. Reber, care of this Laboratory.

Yours faithfully,

M.H. Bennett
Clerical Officer.

Picked up completed work and took to Hydro for galvanizing

29/6/61 Picked up from Hydro. Took Shackles to CSIRO and Yokes to Bothwell on 30th

MHB/NMD

6th June, 1961.

Mr. M. Beres,
Beres Engineering,
104 Gormanston Road,
MOONAH, TAS.

Dear Mr. Beres,

Thank you for your quotation of 30th May.
Items 2 and 3 are accepted as quoted.

omit.
~~Item 1 has been redesigned to take advantage
of an existing quantity of $\frac{3}{8}$ " x 4" stainless steel bolts.
These are to be cut off to 3" long and $\frac{1}{64}$ " diameter hole
drilled $\frac{3}{8}$ " from the end. It is expected the price on
this item will be reached by mutual agreement.~~

All work is to be accurate to $\pm \frac{1}{64}$ " and
all burrs are to be removed. We will deliver the necessary
material in a few days.

Yours faithfully,

M.H. Bennett
Clerical Officer.

Saw on 22/6/61. He said they would do the work next week.
6/7/61 called and said work was finished.
Picked up on 10/7/61
Paid for on 13/7/61

(W.G. Darby).

Southern Merchandising Manager

CONDITIONS OF QUOTATION AND SALE

1. Every quotation is subject to withdrawal or alteration at any time before acceptance by the Company and no order is to be deemed to have been accepted by the Company until formal acceptance is posted or delivered. The quoted price is based upon the cost of materials, labour and transport and upon the conditions existing at the date of manufacturer's quotation. If there is any variation in such costs and conditions the price to be paid by the Buyer shall be varied and the time for delivery may be altered accordingly. The Company will nevertheless endeavour to supply in accordance with prices and conditions of the quotation.
2. If at any time before delivery by reason of any cause whatsoever beyond the control of the Company, the Company is prevented from making delivery at the time stipulated the Company shall be entitled to determine the contract and the buyer shall not in consequence have any claim for damages but without prejudice to the rights of the Company to recover all sums owing to it in respect of deliveries made or services performed prior to the date of such determination or to recover all payments made or expenses incurred by the Company in connection with the contract.
3. Except as provided in Clause 2 hereof after an order has been accepted by the Company such order shall not be subject to cancellation without the written consent of both parties.
4. The liability of the Company for damages for any breach of the contract shall (subject to any other limitations herein contained) be limited to general damages and the Company shall not be responsible for any special damage suffered by the buyer.
5. In cases where the Company accepts responsibility for delivery by rail, ship, aircraft or other vehicle, the buyer will be responsible for immediate examination of goods after arrival at destination and in the event of any goods arriving in a damaged condition must report the matter in writing to the Company. No claim for goods damaged in transit will be entertained unless made within three (3) days after arrival at destination. Unless expressly agreed, the responsibility of the Company ceases on goods being delivered to place of delivery.
6. Marine war risk insurance has not been included in the quotation. In the absence of specific instructions to the contrary, the Company may insure the goods against marine war risk (insofar as cover can be obtained) and the cost of such insurance will be charged to the buyer's account.
7. All plant manufactured by the Company is warranted for 90 days after date of despatch. This warranty is limited to the replacement F.O.R./F.O.B. Capital City of such parts as shall have been returned to the Company, all charges prepaid, and which upon inspection appear to the Company to have been defective in material and/or workmanship. No warranty is made or authorised to be made other than that herein set forth and no warranty is given by the Company in respect of plant and materials not of its manufacture, or to trade accessories, such being subject to the warranty of their respective makers.
8. Should work of any kind be carried out by the Company on the buyer's or any other premises the Company shall not be liable for any loss or damage occasioned to the buyer or contractors arising from any cause connected in any way with such work.
9. Prices are subject to buyer's order being for the whole amount mentioned in the quotations.
10. Quotations in respect of imported products and materials are based on the under-mentioned amounts which have been included in the price quoted and any variation between these and the amounts the Company may ultimately be called upon to pay will be for Purchaser's account:—

Dear Sir,

We refer to your letter dated 4th July, and would quote for galvanised stay rods as follows:-

145 only 6' x $\frac{5}{8}$ " Galvanised Stay Rods
fabricated type, complete with 2 nuts
square washer and thimble 16/9 ea.
FOR Sydney
Packing extra at cost.

Delivery 3 weeks from receipt of order.

We are not sure of your requirement for head washer. Square washer is usually supplied with the screwed end as per our quote. Our quotation allows for the standard bow that we supply to County Council.

We are not sure whether you are fully aware of our other lines of manufacture but enclose leaflets regarding other products which we feel could be of interest.

Yours faithfully,
DULMISON AUSTRALIA PTY. LIMITED.
