Mr. Grote Reber
Post Office Box 2
Green Bank, West Virginia

Dear Grote:

Herewith two sets of the prints that you requested. They are 4" by 6" rather than 4" by 5" as I understand this is the standard enlargement for the negative size. In view of possibilities for use in a publication, I presume that glossies are in order.

I am sorry to hear things don't look too good for your particular purposes down there. I am rather afraid that this is one of the prices of the march of civilization, whether it be backward or forward.

When you are in a traveling mood again, I will certainly be glad to see you up here. Please let me know when that time seems to be drawing near and I'll see if I can cook up any extra excitement.

Best wishes,

C. H. Schauer
