

6th September, 1966.

Dr. Everett H. Hurlburt,
Division of Astronomy,
National Science Foundation,
WASHINGTON, D.C., 20550 ... U.S.A.

Dear Dr. Hurlburt,

The passage of Labor Day completes the summer vacation season. People should be available at their posts of duty. Please make the inquiries requested in my letter of 21st July, 1966 and let me know the results.

Yours faithfully,

Grote Reber.

GR/JCA
