THE HARRISON M. RANDALL LABORATORY
OF PHYSICS

3 January 1955

Mr. Grote Reber,
General Delivery, G. P. O.,
Hobart,
Tasmania,
Australia.

Dear Mr. Reber:

We have made the C^{14} analysis of
the sample you sent us, and have obtained
an age of 600 years \pm 250 years.

Sincerely,

H. R. Crane
