PLEASE ADVISE ANY CHANGING YOUR HOME ADDRESS OR COMPANY

Dear Paul:

Yours of 8th arrived on 20th. Thanks.

Now I'd like to bother you again. I've data on Ottawa for early 1950s, and would like complimentary data on StJohn's and Winnipeg. Please send monthly data sheets giving hourly values of f_oF_2 on StJohn's and Winnipeg for period Nov. 1948 thru October 1954. I'll send my results for all three stations in due course.

When I finally decide what this study is trying to tell us, the whole business will be published in Plasma Physics of IEEE. It will be voluminous.

Thanks again for past favors.

Best wishes
