Actually is Japanese report

Gentlemen:

Recently I have encountered a reference entitled "Waves of the North Pacific Ocean", H.O. Misc. No. 11,117. This, I believe, is similar to H.O. 10712-D just received except that the data in the former covers years 1924 thru 1938 while the data in the latter covers years 1932 thru 1940 and the presentation is different. I cannot find H.O. 11,117 listed in circular #3.

However I would like to secure a copy of this publication and will be pleased to remit whatever charges are made. Your assistance in locating for me a copy of H.O. 11,117 will be greatly appreciated.

Yours very truly,
Grote Reber
