CHARLES H. SCHAUER
VICE PRESIDENT and SECRETARY

January 7, 1965

Wm. L. Reber

Dear Mr. Reber:

I hope you have received the mailing I sent on Monday of this week - including the list of dividend checks, income tax forms and booklet, etc. As noted in that letter, I had not yet received word from the Harris Bank.

Harris Bank reports crediting \$888.68 in interest to your account during 1964.

Did that amount from the Chase Manhattan sound right to you? As I mentioned, I got this over the phone but I did read it back and was assured it was correct.

Mr. Schauer has asked me to tell you that both he and Mr. Hinkley have been poring over your Progress Report and enjoying the interpretations they have gleaned from it. He (Mr. Schauer) will be writing soon, but is involved these days in annual reports, preparing for two meetings and the Award Dinner the end of the month, and trying to get to Colorado College next week for a Symposium. On top of that, Dr. Smith is on jury duty this week and next.

Sincerely,

Jamie
