Dear Goto —

Your last letter was perfectly swell — as Jaw has already written — and I want to add my 2<sup>nd</sup> worth at this point.

The rug idea (and your generous contributions of past and present) is most thoughtful. Jean and I really appreciate it — both your attitude and the check — but it's a whole of a lot of money. That's why we want to talk to you about it when you come down here around the 1<sup>st</sup> of December.

That brings up another problem. I've got to go down to Norfolk on Tuesday night — Nov 30<sup>th</sup> and return Friday Dec 2<sup>nd</sup>. This may or may not conflict with your plans about coming down to Washington. However, we ought to be able to get together next week end in any

case provided you are to be here in the  
East that long. I'm afraid I  
can't postpone the Norfolk trip!

Glad to hear about the brewing  
at S-W. and the political repercussions  
which may set you more of that  
good green lettuce in the end. And  
then there's always Zenith!

Well. I've got to sign off to get  
an early train to Philly tomorrow. Jane  
has a bare day-off and she's  
going to join me there on Saturday.  
So damn bad you aren't in  
Camden this week-end. Get set  
for a good bull session, and  
again you are mighty thoughtful.  
Affectionately,  
Selwyn
