Att: Mr. C. H. Schauer

Gentlemen:

Thank you for your telephone inquiry of December 14th regarding TELEFUNKEN Electro-Mechanical Filters.

We are pleased to quote the following unit prices for the types listed:

	<u>F.O.B.</u> <u>New York</u>	<u>F.O.B.</u> <u>W. Germany</u>
FZ 01	\$45.50	\$37.50
FE 25	60.50	49.50
FE 26	60.50	49.50

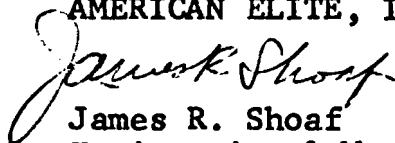

The above are quoted both F.O.B. N.Y., which includes duty and freight to this country, and F.O.B. West Germany, which would be the price if shipped direct to Tasmania. The freight and insurance charges would have to be determined at the time of shipment and billed to you. This should not exceed 10% of the price of the item.

Data sheets on the above are enclosed.

We look forward to being of service to you.

Very truly yours,

AMERICAN ELITE, INC.
