Mr. Grote Reber,
Tasmanian Regional Laboratory,
"Stowell",
Stowell Avenue,
HOBBART.....TASMANIA.

Thank you for your letter of the 20th January. Unfortunately, we do not have the facilities here in Brisbane to carry out the type of work you have asked of us and we did make enquiries from our Research Farm people near Sydney to see if they could do this for you. However, they have replied that they also have difficulty in obtaining good growth from Snake Beans and subsequently, we contacted the Cunningham Laboratory in Brisbane and spoke to Mr. Ron Williams, Plant Introduction Officer, who said that he is willing to assist you. We are, therefore, sending on your letter to him and he will, no doubt, contact you direct himself.

R. DeVIS.
Field Officer.
